

# RESEARCH CONNECTIONS & NETWORKING

## UNDERGRADUATE STUDENTS

- Do you want to get involved in research?
- Not sure where to start?
- Come meet potential grad student mentors and learn about their work

## GRADUATE STUDENTS

- Do you enjoy mentoring?
- Does your research lab need extra hands to help with projects?
- Come meet undergrads who are interested in getting involved and can offer immediate assistance

## EVENT FEATURES

- Tips and resources from the Center for Undergraduate Research
- Research Lab overviews
- Open networking for research match-making
